KEEPING YOU CONNECTED

You Know You're Living in 2010 When...

1. You wanted to bake a potato, but instead accidentally entered your password on the microwave keypad.
2. You haven't played solitaire with real cards in years.
3. You e-mailed the person who works at the desk next to you.
4. Your reason for not staying in touch with friends and family is that they aren't on Facebook.
5. You haven't looked at a photo album, except the "on-line" kind, in two years.
6. You haven't made a purchase in an actual store all year.
7. You decided to forgo an extra set of clothes on a recent trip so you had room to pack your laptop.
8. You now call your telephone provider when you want to inquire about Television and High Speed Internet.

Streamline Homework with High Speed Internet and Free Installation

Is your family ready for the pace of another busy school year? If your Internet connection is sluggish, this is a great time to upgrade to high speed Internet service from LaValle Telephone Cooperative.

You'll get fast and reliable Internet access at speeds up to 20 times faster than a typical dial-up connection. This will streamline all of your family's online activities, including the research your kids need to do for homework. Plus, our high speed Internet service comes with the features you want most, including:

- 24/7 Help Desk Service: Call 985-HELP
- Optional SecureIT Plus Virus Protection
- Optional Parental Controls and Content Filtering
- Up to 5 Free E-Mail Accounts
- No extra charge for wireless

LaValle Telephone makes it easy for you to make the switch to high speed Internet as well. Our monthly rates are affordable, and vary with the bandwidth you choose. We'll also do the installation for you, and if you have questions, simply call our Technical Support line for assistance.

Install LaValle Telephone's High Speed Internet by September 30th and save the regular installation price of \$35. Your kids' school year will be off to a smart start. For more details, give us a call at 611 or 608-985-7201.

LaValle Telephone Can Help Keep an Eye On Your House or Business

Is everyone back in school? Is your summer house closed for the season? Is your house left alone and you need peace of mind that it is secure? According to the FBI, a burglary occurs somewhere in the U.S. every 15 seconds. What would happen if someone tried to break into your home while you were there, or when you're gone? Take control and guard against criminal intrusion with a Security System from LaValle Telephone Cooperative. Your home will be protected by 24/7 monitoring. If a burglary is attempted, emergency personnel will be automatically alerted.

We offer this peace of mind in a variety of security systems for both homes and businesses. The systems can be customized with motion detectors, surveillance

cameras, recorders, fire/heat detection, 24/7 monitoring, and emergency response by local personnel.

For more information on these very affordable services or to schedule a free in-home consultation, please call 608-985-7201.
